

St. Anne Parish of Wausau, WI is pleased to present:

Shifting Perspectives: A Transformational Approach to Advent

**Advent Program for Women: December 5, 12 & 19
6:15-7:30 in the Fireside Room**

Take some time for yourself this Advent
Join other women of the parish to learn how you can *shift* your
perspective in order to live with more power, creativity, compassion
and love.

Not only will you learn new ways to pray but you will also discover how
the Advent Scriptures apply to your daily life and how Jesus IS the game
changer towards a life filled with peace and joy.

Wendy Mitch will be leading this Advent series. She has worked in
parish ministry for over 30 years and has been bringing women
together for meaningful and thoughtful conversations for even longer.
Bring a female friend, even if they are not Catholic.
